

Welcome to the Swedish Cruising Association!

You have moored one of our approx 250 buoys and we are of course pleased to see it used. Our buoys are intended for members whose boats are registered with the Swedish Cruising Association.

The purpose of the Swedish Cruising Association is to promote interest in tourist and long-distance cruising and one of the ways we do this is by putting out buoys like the one you are currently moored at. Our buoys are very popular and the need for additional buoys are great. The Swedish Cruising Association, SxK, works on a voluntary basis, without any government support. Our money comes from fees paid by our members.

We hope you will also join us by becoming a member and registering your boat. The membership fee for one year is no greater than what you pay for a couple of nights in a guest harbor. With more members, we can develop our activities and, among other things put out even more buoys that can be useful to you as a member.

Do you want to learn more about the benefits of becoming a member in the Swedish Cruising Association? Speak with the person who gave you this letter or call the office in Stockholm at +46 (0)8-448 28 80 or Gothenburg at +46 (0)31-69 00 69. You can also visit our website www.sxk.se (www.sxk.se/english) for more information and our new Cruising Association folder to read and print out. You will discover much more that you can benefit from than just buoys.

If you already are a member of SxK, please register your boat to receive your Boat Flag.

Best regards
